

Every Child Counts! 2020 Census Training

Tuesday, March 17 / 2:30pm-5:15pm
BPL Central Library, Dweck Auditorium

*Ensuring a Fair and Accurate Count of
New York City's Children in the 2020 Census*

Join Brooklyn Public Library, Citizen's Committee for Children of New York and CUNY Early Childhood QUALITYstarsNY for a convening of child and youth-serving professionals and other community leaders committed to a fair and accurate count of New York City's children in the 2020 Census.

- Learn about the historical undercount of children under the age of 5 in the decennial census
- Understand why a fair and accurate count is critical to well-being of children, families and communities
- Discover ways to incorporate 2020 Census education into programming and service delivery

All participants will receive a copy of CCC's new databook which underscores the importance of Census data in the lives of children and families.
