A Message from the BCAP Staff

Dear BCAP Families,

We’re so glad you will be joining us for Brooklyn Cultural Adventures Program Summer Camp 2024. Our theme this year is **TBD**. We’ll be exploring our theme at our **Cultural Campus** each day: Brooklyn Museum, Brooklyn Public Library, Brooklyn Botanic Garden, Brooklyn Children’s Museum, Prospect Park Audubon Center & Lefferts Historic House, plus our 2024 guest partner, Greenwood Cemetery. Adventurers will take part in fun, hands-on activities at each site that weave connections between science, nature, literature, art, technology, culture, and history.

We here at BCAP are dedicated to ensuring that your child stays safe and has fun while learning with us this summer. We strive to keep the lines of communication clear and to provide you with all the information you need to make sure you and your child are prepared for summer. This handbook serves as your BCAP orientation. It will fill you in on what we need from you before camp starts, where to go and what to do on your first day, and details about your two weeks at camp. Parents will also be invited for a brief orientation and Q&A on the morning of your first day of camp.

**Please read the following information carefully and discuss it with your child.** Feel free to contact us at any time if you have questions. We look forward to seeing you this summer!

Sincerely,

Leah Golubchick
Director

II Your First Day at BCAP

Family Check-In: 7:45-8:45am at the Brooklyn Museum

Where do I go?
The Education Gallery & Studios at the Brooklyn Museum serve as home base for BCAP each summer. The museum is located at 200 Eastern Parkway on the corner of Washington Avenue and Eastern Parkway. If you are traveling by subway you can take the 2/3 train to the Eastern Parkway/Brooklyn Museum stop, which exits directly in front of the Museum. (4, 5, B, Q, and Shuttle also close by.)

Enter through the BACK DOOR of the Brooklyn Museum. A BCAP staff person in a blue shirt will be there to direct you! Do not try to enter through the front entrance. You must walk around to the back corner of the building next to the parking lot. Enter through the lower doors adjacent to the Sculpture Garden and Cafe. Take the stairs/elevator to the first floor where another BCAP staff person will greet you!

Parking
All visitors to the Brooklyn Museum have 15 minutes of free parking. This means that on the first day of camp families who park in the lot will have to pay a small parking fee. (For pick-up and every other day of camp, you will be able to enter the parking lot and stop briefly for 5-10 minutes to drop off or pick up your child for free.) Please plan your time accordingly. The Museum cannot make exceptions.

Details of First Day Check-In and Orientation
Please see the details of the first day in the Appendix at the end of this document. The first morning will include a sign-in, tshirt pickup, meeting the counselors and camp group, and short parent orientation. As per the rules of the NYC Department of Mental Health and Hygiene, you will also receive a Camp Itinerary and will be asked to sign a Parent Information Statement of Affirmation. Parents should plan to spend 30 minutes at the Museum on the first day.

Campers will receive an orientation during the morning activity period of the first day, where they will be made to feel comfortable and welcome at BCAP!

Your Camp Group
Your camp group will include 24 children of similar age led by 5 adults: 1 Head Counselor, 2 Group Counselors, and 2 Youth Development Intern. Campers will also get to know our special activity interns, the Camp Director, and Assistant Camp Director on the first day.

BCAP Office
We have a Summer Camp Office in the Brooklyn Museum Education Gallery, which will be staffed from 7:30am-3:15pm daily. Please call the Camp Office for any inquiries: (718) 501-6464. What We Expect from BCAP Campers

Basic Behavior Expectations
BCAP knows that summer is a time for children to unwind and we go to great lengths to make sure that camp is a fun experience. However, when managing a group of children it is important to establish structure and expectations for behavior. This helps us to ensure the physical and emotional safety of the group and helps instill a sense of security among our campers that their well-being is a top priority.

The expectations that BCAP holds for our campers can be summed up in four words: Safety, Respect, Support, and Responsibility. Specific expectations are developed together by the counselors and campers on day one.

Safety:
Campers are expected behave in ways that are safe for themselves and others, physically and emotionally. Campers must refrain from any behavior that could cause harm to others or themselves, whether intentionally, through neglect or playfully. That generally includes such rules as:
- Stay with your buddy when traveling and always walk.
- Keep your body to yourself. No hitting, kicking, pushing or any other aggressive act.
- Use kind and respectful words and body language.
- Stop everything and prepare to listen for instructions when given a quiet signal by a staff member.

Respect:
Respect should be shown to all staff members, educators and fellow campers. In general terms, this involves recognizing everyone’s inherent value as a peer or authority figure and treating them accordingly. Campers must refrain from speech or actions that others may find demeaning, threatening or insulting. That generally includes such rules as:
- Recognize and respect the role of BCAP staff members and institution educators as authority figures.
- Never use aggressive, threatening, profane or illicit words, actions, gestures or tone of voice.
- Campers should respect and treat each other as equal peers.
- Respect your fellow camper’s right to say “no”.
- Comply with any request by a peer or counselor to stop any behavior that a peer finds unpleasant.
- Avoid interrupting a BCAP staff member and institution educator when they are teaching, giving instructions or helping another person, unless absolutely necessary.

Support:
Campers should actively support, encourage and help each other. BCAP Campers are expected to work and play as a team. That generally includes such rules as:
- Be inclusive. Welcome group-mates who would like to work or play with you.
- Recognize and cheer on effort regardless of result.
- Celebrate success without demeaning anyone for mistakes or shortcomings.
- Offer help when you think someone needs it.

Responsibility:
Campers must take an age appropriate level of responsibility for the functioning of their group by following routines established by the counseling staff without constant prodding. That generally includes such rules as:
- Keep the spaces we use clean. Pick up after yourselves and each other. Strive to leave areas looking better than when we entered.
- Take care of your property and make sure it is in your possession before you leave a location.
- Take responsibility for time by responding to time prompts and following clean-up and line-up routines in a timely manner.

Behavioral Expectations For Institutions
In addition to our basic expectations, each institution has their own guidelines for behavior. Campers are expected to adhere to the guidelines of each institution they visit and to respect each institution’s staff, collections and patrons.
Consequences for Inappropriate Behavior

**Level I: Disruptive Behavior**
Inappropriate behavior that impedes an individual or group’s ability to engage in an activity, but does not threaten safety.

**Step 1: Warning**
Counselor will approach child one-on-one to briefly discuss the behavior and camp expectations. Counselor will inform the child of consequences if behavior continues. Common consequences for disruptive behavior include sitting out of an activity for a short period of time, or losing the privilege to choose their partner.

**Step 2: Implementing Consequence & Reflection Discussion**
If the behavior persists, the consequence that the counselor discussed during the warning will be implemented.

After the consequence has been implemented, the counselor will engage the child in a discussion in which they will reflect on why that behavior is inappropriate and the potential impact of that behavior and list specific strategies that he/she will use in order to prevent behavior from reoccurring. This discussion will end in the counselor informing the child of next consequence, which may include sitting out of the remainder of the activity and/or a discussion with the parent or guardian.

**Step 4: Parent/Guardian Discussion**
If the behavior continues, the Head Counselor or Camp Director will speak to the parent and child at sign-out. Possible causes and solutions to problem will be examined. The discussion will conclude by outlining expected behavior from youth, highlighting the role staff, parent/guardian and camper have in the solution.

**Step 5: Follow-up**
The Head Counselor or Camp Director will have high expectations for the camper moving forward, and will check in on progress and share an update with parents the following day.

**Level II: Threatening or Dangerous Behavior**
Behavior that blatantly defies safety guidelines and threatens the safety of staff, children, or him/herself OR threatening another person through words or gestures will result in an in-house suspension. This will consist of immediate removal from the group and the removal of activity privileges for the remainder of the day. The parent will be called, and a conference will take place at pick-up. Any continued threats or engagement in dangerous behavior may result in the offending camper being sent home immediately and a one- or multi-day suspension from camp.

**Violent Behavior, Sexual Harassment or Bullying**
BCAP has a zero tolerance policy for bullying, fighting, and sexual harassment. Bullying will result in an immediate in-house suspension. This will consist of immediate removal from the group and the removal of activity privileges for the remainder of the day. Fighting or violence of any kind will result in the offending camper being sent home immediately, and a one-day suspension. In the case of behavior that can be interpreted as sexual harassment, the age of the child and their ability to understand their behavior will be taken into consideration when this behavior first occurs. However, any repeated occurrence of this behavior will result in an in-house or one-day suspension. If a child engages in violent behavior, sexual harassment or bullying repeatedly, the camper will be permanently expelled, without refund.

**Parent/Guardian Conferences**
If your child has engaged in persistent disruptive behavior or if they have engaged in any behavior that has led them to be removed from the group, you will be contacted by the Camp Director or the Assistant Camp Director and asked to take part in a Parent/Guardian Conference. Please address the Camp Director or Assistant Camp Director to discuss details about any disciplinary actions.
V Safety Procedures

Counselor Qualifications
All counselors are certified in CPR and First Aid. Our Camp Director, Assistant Camp Director and Head Counselors receive pro-level certifications in CPR and our Camp Director and Assistant Director have emergency responder level certification in First Aid. Staff also learns camp-specific safety and security procedures.

Each team of counselors is equipped with a First Aid kit and the medical information for each child in their care including health conditions, allergies and medications. In the event of an injury or illness that may prove life threatening, and/or beyond the scope of our staff’s level of training, our staff will contact 911 immediately and contact the parent or guardian directly after. We will provide as much care as we are able to provide until EMS arrives. No injured or ill child will ever be left unattended.

Medicine
Make sure your online Medical History form is 100% complete and accurate. BCAP counseling staff is not authorized to administer medication, but will supervise campers as they self-administer their medication. Pack their medication and instructions in an easy-to-find place in their bag. Also see “What do Bring Daily” on pg. 6.

Parent Notification
Parents/guardians will be notified by the Camp Director or Assistant Camp Director in the event of camper injury or illness either by phone at the time of the event or at the end of the day during pick-up, depending on the urgency and severity of the incident.

Inclement Weather
Camp will proceed normally in light rain and typical warm summer weather. On days where severe rain and/or thunderstorms are anticipated, camp schedules may be altered, or trips may be cancelled. Campers will not travel in thunder storms. On days when excessive heat warnings are announced, camp schedules may be altered. On days when heat advisories are announced camp schedules will be altered or cancelled. Campers will not participate in high-energy outdoor activities or spend prolonged periods in the sun on extremely hot days. On these days campers will be encouraged to drink extra water and will spend time in the shade or air conditioning. If your child is highly sensitive to heat, please list this on your online Medical History form. Altered or cancelled trips will be replaced with other fun and educational activities!
VI. The Camp Day

Daily Routines

Camp Schedule
Each day your child will have a morning and afternoon activity period. Each group has their own schedule. You will receive your child’s schedule on the first day of camp.

Morning Sign-In

Parents should walk the child to this activity on their way out. Campers are also free to use this time to read or just hang out with friends, but should expect to be invited to engage in a morning activity. Non-electronic toys are permitted during this time, but must be put away and remain out of sight until pick-up time.

### Activity Sessions
Each day campers will be participating in two activity sessions, visiting each Cultural Institution twice over the two weeks. The AM Activity Session runs from 10-11:30am. Following this, campers will take a bathroom break, and have an hour for lunch and some relaxed play time either before or after moving to their PM Activity location. PM Activity Sessions run from 1-2:30pm. After another bathroom break groups return to the Brooklyn Museum Home Base at 3pm and snack is distributed, followed by our end of the day rituals.

### Traveling Between Sites
All BCAP groups will travel to the Brooklyn Children’s Museum and our guest partner by bus. Group A, consisting of our youngest campers, will travel also travel by bus to the Audubon Center, Prospect Park Zoo and Lefferts Historic House. BCAP groups will walk to all other destinations.

We travel between cultural institutions on foot or by bus, rain or shine. Please check daily weather reports to make sure campers are properly dressed for inclement weather. In the case of a thunderstorm, groups will remain where they are until the storm passes.

### Bathroom / Rest Breaks
Campers are not permitted to go to the bathroom unattended. Counselors will check the bathroom, and then stand outside the bathroom outer door while the camper uses the facility. Only three campers will be permitted in the bathroom at one time.

### End of the Day Closing Ceremonies
At BCAP, we end each day with snack, “High 5” recognition by counselors, and “Shout-Outs” from campers from about 3:00-3:20pm in the Brooklyn Museum Sculpture Garden. This is an opportunity for campers and staff members to share our appreciation for each other and give positive feedback. Feel free to hang out to the side of the Sculpture Garden during this time. If you need leave immediately please allow us to signal your child discreetly so we may avoid disrupting this closing ritual.

Each day 5 campers per group will receive the “High 5” recognition from their counselors, and each camper will be recognized at least once during their camp session. Check out their picture on our social media sites when they receive this award!

### Afternoon Pick-Up
Afternoon Pick-Up occurs from **3:15 – 3:30pm** in the Sculpture Garden. On rainy days, we will be in the Art Studios of the Brooklyn Museum Education Gallery. Children must be signed out each day by an Authorized Pickup person unless they have been permitted to sign themselves out on our Independent Sign-Out Form.

### Authorized Pick-Up List and Identification
In order to ensure safety **ONLY adults listed ahead of time on your Authorized Pickup Form will be allowed to pick up your child from camp.** Each adult named on the Authorized Pick-Up Form should be prepared to present a legal form of identification to BCAP staff when picking up/dropping off a camper, such as a driver’s license. If an adult is not listed on this form, or there is any question regarding the identity of the person picking up your child, she/he will not be sent home with this adult, and the parent will be called.

If you need to make a change or addition to your Authorized Pickup Form, please do so online **at least a week before your camp session begins.** If you make a change to your online account after this time, please call the office to confirm. If you must make a change during camp notify your Head Counselor and the BCAP Office in person, or via written note, with signature. Name, relationship, and phone number of new Authorized Pick-up person must be noted. Authorized Pick-Ups may not be added over the phone. Please plan in advance.

**THERE IS A FEE FOR LATE PICK-UP: $10.00 for every 15 minutes after 3:30pm.** A fifteen-minute grace period will be extended to parents who notify us in advance about anticipated lateness.
Stay & Play
The Stay & Play after-camp program takes place from 3:30-6:00pm, Monday-Friday. This service is for parents who are unable to pick up their child at 3:30 or to have another authorized person do so. Stay&Play cannot be added on a day-to-day basis. We have limited space and must maintain our adult:child ratio. Thank you for your understanding. Participants in Stay & Play engage in the arts and games indoors and outdoors at the Brooklyn Museum, and active play in the playground at Mount Prospect Park.

Stay and Play Pick-Up
Stay and Play Pick-Up occurs from 5:30 – 5:50pm in the Brooklyn Museum Education Gallery. Children must be signed out each day unless they have been permitted to sign themselves out on our Independent Sign-Out Form. The BCAP Office closes at 6pm. Please arrive for pickup before 6pm.
THERE IS A FEE FOR STAY&PLAY LATE PICK-UP: $10.00 for every 15 minutes after 6pm. If you know you will be late, please call the camp cell phone and do your best to get to the office immediately.

Early Pick-Up
Notify your Head Counselor and the Camp Office in advance if your child needs to be picked up one day before 3:30. Your child will be waiting at the Brooklyn Museum Education Gallery in the BCAP Office at the appointed time unless otherwise instructed.

Late Pick-Up
In the event that a camper has not been picked up on time, the BCAP staff will call the child’s Authorized Pick-Up persons. Please verify with your pick-up persons who will be picking your child up each day, and follow our guidelines for adding additional pick-up persons. Please see the late fee above.

Visitor Policy
To observe the camp day please contact the Camp Director to schedule a visit. For safety purposes, only authorized visitors may enter the camp activity areas during program hours, and proper identification issued by BM security officers is required for all visitors. Parents are encouraged to attend the Closing Ceremonies and Art Show on the final afternoon of the camp session!

Closing Ceremonies, Art Show & Parent Involvement

Family Closing Ceremonies & Art Show
Save the Date: Last day of your camp session (2nd Friday) from 2:30-3:30pm in the Brooklyn Museum Auditorium! Every session at BCAP ends with our very own art show, slide show, (and sometimes a surprise performance). We highly encourage Parents and Guardians to attend if possible. Remember to bring a bag or box to put the artwork in. Our closing ceremonies are really fun—Don’t miss them! Please note that most campers do not stay for Stay&Play on this day, and are welcome to sign out at 3:30 with their Authorized Pick-Ups.

Directions to the auditorium: Take the elevator to the third floor and turn right.

Take Home Creations
While some of our children’s creations are stored at camp until the art show, campers often make more than we can fit into the show. Such creations will be sent home with the camper at the end of the day. Please ask them about what they made!

Social Media
In order to keep you up-to-date on what’s going on at camp, BCAP is active on Facebook and Instagram. This is a great way for you and your children to talk about their day. Join us! (Names and passwords were sent to your email, and will be shared again on the first day of camp.)

Gifts and Tip Policy
Counselors are unable to accept gifts, tips, or other forms of additional compensation under any circumstance. If you would like to donate to BCAP, you can do one of the following: make a cash donation for our staff appreciation event; make a credit card donation on the camp registration site; or write a check donation to Brooklyn Public Library, memo BCAP. Thank you!
