Testing on Paper

Complete the steps below to schedule a paper test.

Paper testing appointments are limited and can take up to 10 weeks to get scored. If you cannot find an appointment for paper testing, [schedule a computer test](#).

Step 1: Finish your profile.

Answer a few questions and verify your identification information to move on to Step 2.

FINISH PROFILE

Step 2: Select a paper test center.

Choose the test center where you want to take your paper test.

SELECT A TEST CENTER

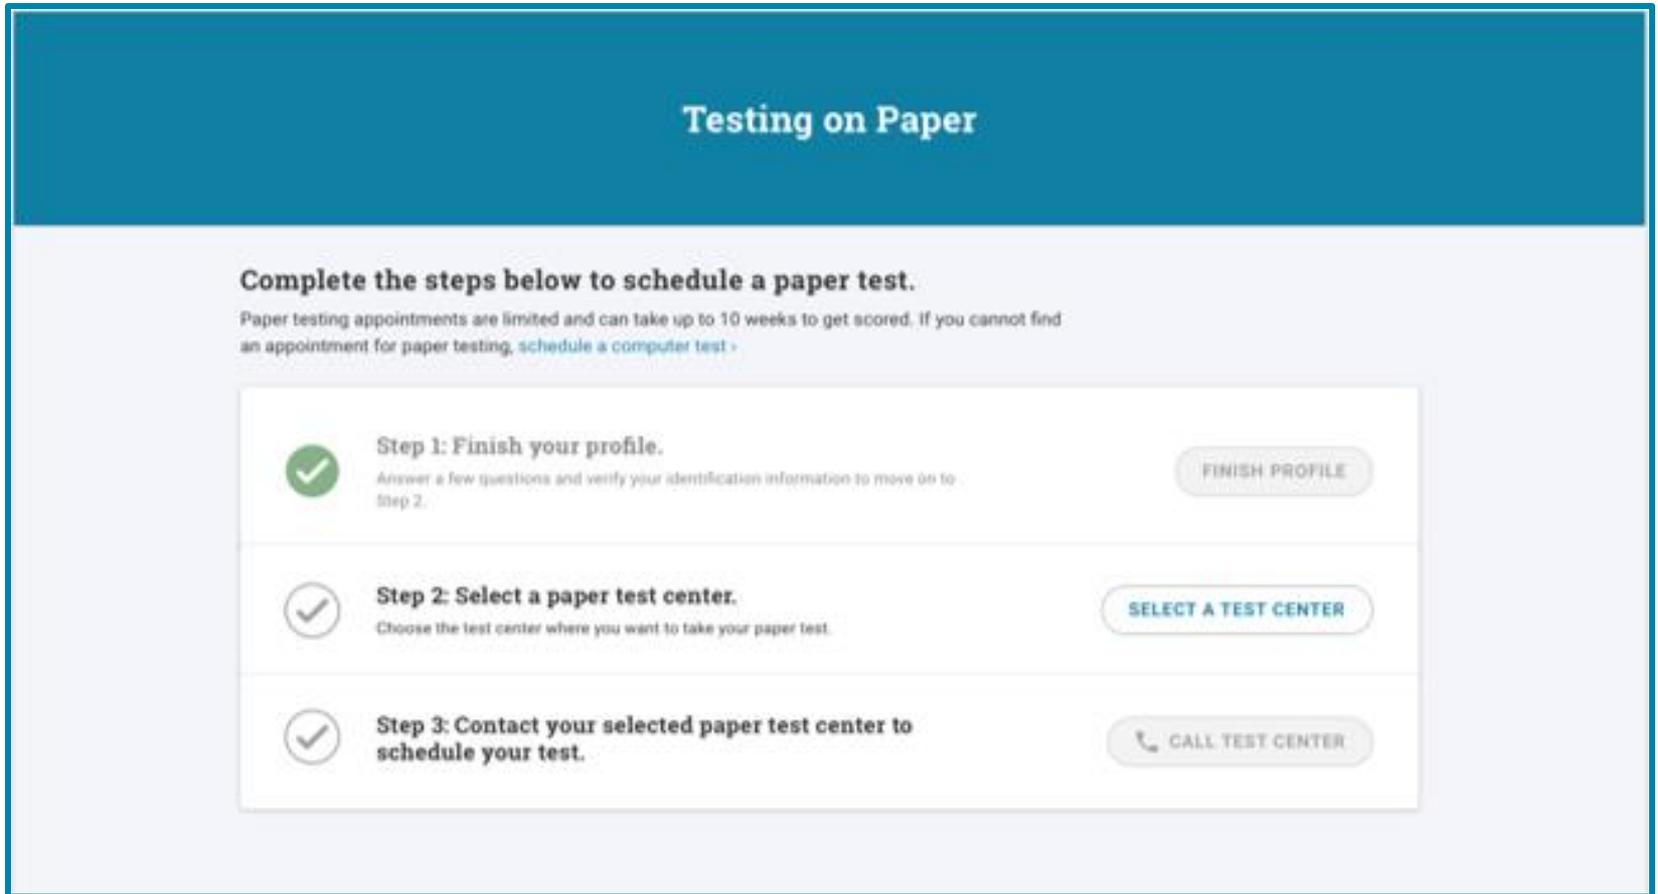

Step 3: Contact your selected paper test center to schedule your test.

CALL TEST CENTER

Student Experience

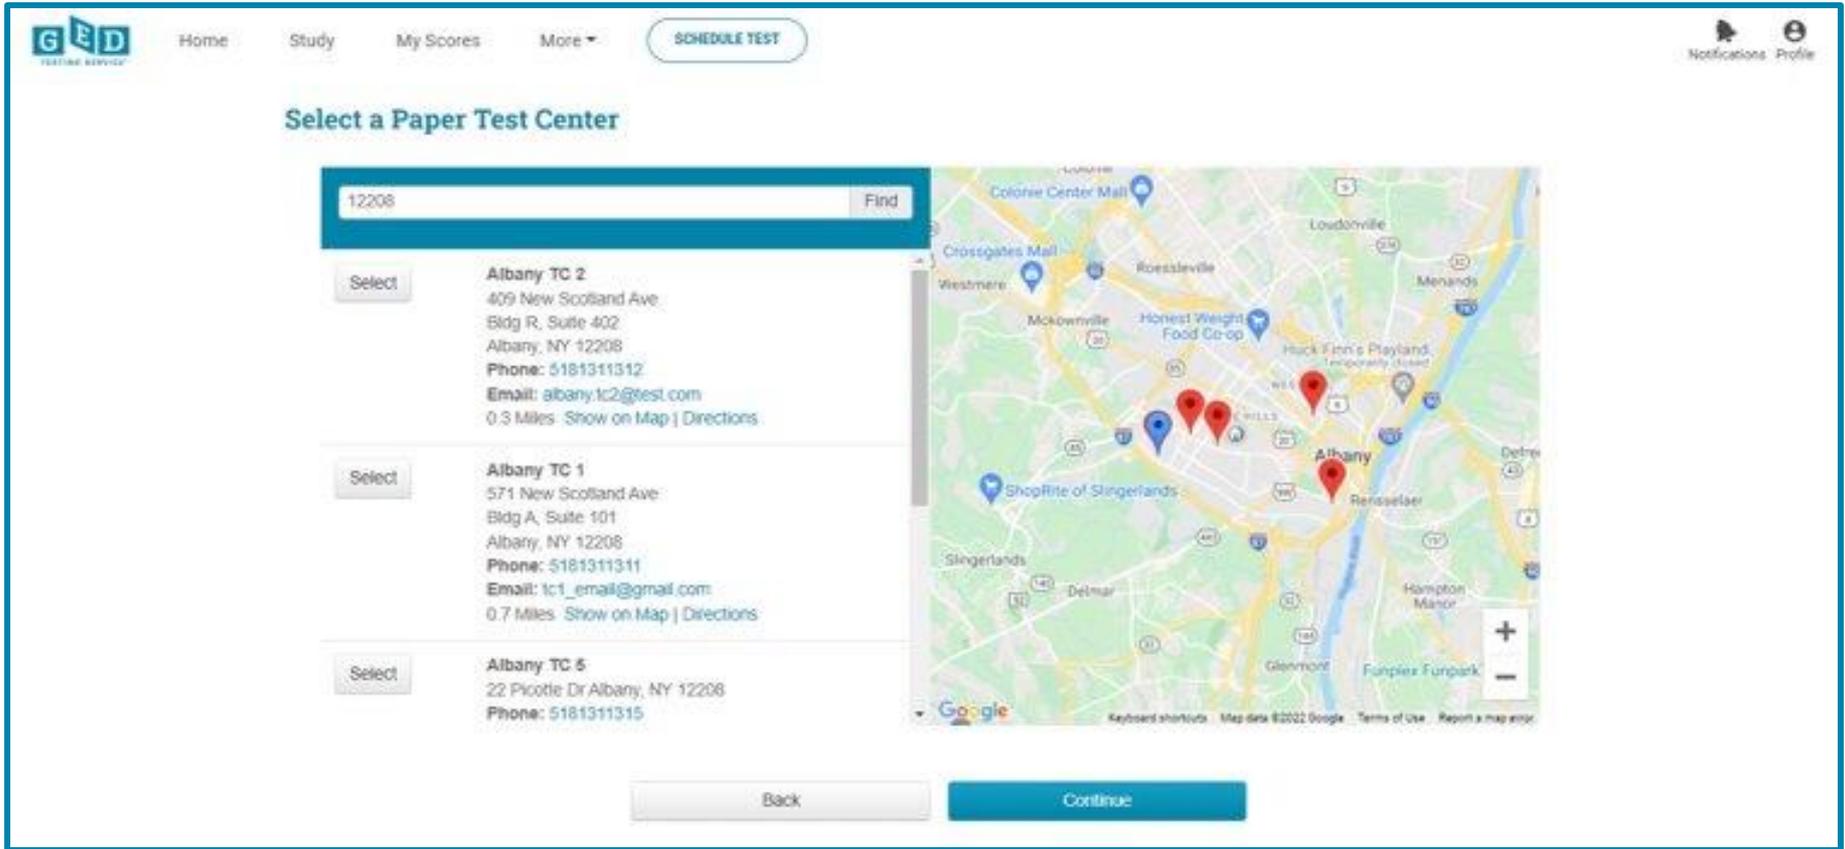

The student **must** complete their profile and answer the scheduling questions before they are able to select a paper test center.

The screenshot displays a user interface titled "Testing on Paper". Below the title, there is a section with the heading "Complete the steps below to schedule a paper test." and a note: "Paper testing appointments are limited and can take up to 10 weeks to get scored. If you cannot find an appointment for paper testing, [schedule a computer test](#)." Below this, there are three steps, each with a checkmark icon, a description, and a button:

- Step 1: Finish your profile.** Answer a few questions and verify your identification information to move on to Step 2. Button: FINISH PROFILE
- Step 2: Select a paper test center.** Choose the test center where you want to take your paper test. Button: SELECT A TEST CENTER
- Step 3: Contact your selected paper test center to schedule your test.** Button: CALL TEST CENTER

Student Experience

After clicking the Select a Test Center button, student lands on the Paper Test Center Locator page. **Enter 11217.**

Student Experience

Select: Brooklyn Public Library - Pacific Literacy Office. Once the center is selected the student is ready to **email application to HSE@bklynlibrary.org** to start the scheduling process.
